Yin Large White Vase

1200-0520

Overall: 17.875"h x 8"w x 9"d

Finish: White

Materials: PORCELAIN

Item Weight: 8 lb

The Yin Large White Vase has a flowing profile that looks as ancient as a shroud but it is as modern as any decorative sculpture can be because it was 3-D printed from porcelain. Close inspection reveals the process added the tiniest ringed striations along its surface. We also offer the Yin in a smaller vase. These are not meant for floral arrangements as they are not watertight.
